Welcome to the Retreat

You are invited to participate in a Guided Retreat from 6.00pm on Sunday 7th July until 6.00 pm on Saturday the 13th July 2019. The venue invites us to be in harmony with God and all of Creation .

The Retreat will be facilitated by Sister Helen Baguley RSM.

“Where in the world are we?”

A journey into a deeper awareness of our invitation to live joyfully and authentically in harmony with God, with ourselves, with others and with the whole of Creation.

This facilitated Retreat is an opportunity to take space, time and quiet to contemplate God at the burning heart of Creation itself and at the core of our own being...and our interconnectedness with all that is. There will be times for input, reflection, prayer and sharing, with opportunity for ‘retreat conversations’ if desired.
