

Morning Blessing

As you continue to embrace this precious day

In earth, in whom we live and move and have our being

Allow your intention to *pay attention* arise.

Pause, notice the amazing, unique beauty around you,

Knowing deeply and celebrating widely, that all is indeed originally
blessed.

Jennifer Callanan

Blessed be.

Blessed be the abundance of Divine Mystery.

Blessed be open hearted, generous spontaneity.

Blessed be the willingness of a few.

Blessed be readiness of each one to take the only step they
can

towards awakening to a culture of abundance.

Blessed be the caress of Great Spirit permeating all that is.

Blessed be.
