Week 2 – Theological Process Stage 1

As we recall our reflections from last week on Hope, Encounter and Sacred, in this second week of Step Six of our Pilgrimage, we turn our hearts and minds to our personal context – our experience of encountering the sacred that brought us hope.

This week, we hear from three of our sisters living in residential aged care, as well as Ruby Glenister from Young Mercy Links and Mercy Associate, Anna McGookin, who all share their personal experiences of encountering the sacred that has generated hope.

(5 short videos, plus 1 text)

You are invited to reflect on your own encounters of the sacred – your OMG moments – that generated hope for you.
